Conclusion:

1. How would you finish the following sentence? “The reason(s) why it is difficult to obey God’s word and His will is because....”
2. Read Genesis 6:5-13 and answer the following questions:
 - a) What similarities do you see from people who lived during Noah’s time compared to how people live in our world today?
 - b) How did Noah find favor in the eyes of God even in the midst of a wicked and corrupt generation? And as Christians, how can we effectively and consistently rise above the ungodly influences that we encounter everyday (ex. social media, school, workplace etc.) so that our faith and relationship with God will not be compromised?
3. In the latter part of Hebrews 11:7 it says, “*By his (Noah) faith he condemned the world and became heir of the righteousness that is in keeping with faith*”, what do you think the writer of Hebrews meant by this, and how does this apply to us today?
4. Review the life application portion on the sermon outline letter B, and discuss in your life group practical ways you can help and encourage one another GROW in your faith, GLOW for God, GO with God, and GLORIFY God through worship.
