

Gloria En Excelsis Deo: The Song of the Angels

By Dr. Fred Mendoza

Dec 22, 2019

Tabletalk *(For family devotions and Life Group discussions)*

Introduction:

Text: Luke 2:1-14

Textual Exposition

A. God and Angels do Exist (v.14)

B. God is in Control of History (vv. 1-7)

C. God Deserves Our Praise and Worship (v.14)

Challenges Confronting Us:

1. Practice faith in God's existence, and trust God's promise to reward us for seeking Him (Heb. 11:6; Matt. 6:33).
2. Entrust the past, present, and future stories of our life in the hands of God who controls history.
3. Devote our total life to the praise and worship of God who created us for His glory, which is our highest calling in life.

Read: Luke 2:1-14

1. How did God use the census ordered by Caesar Augustus to fulfill the prophecy about Jesus' birth in Micah 5:2, showing that God is in control of history?
2. Our life history is comprised of our past, present, and future stories. What is the wisdom of entrusting our personal history in the hands of God?
3. God deserves our praise and worship (Luke 2:14) because:
 - a. God is humble in allowing His Son to be born and placed in a manger (Luke 2:4, 7, 10-12).
 - b. God cares for us in giving us His Son to be our Savior from sin (Luke 2:11; Matt. 1:21; 1 Tim. 1:15).
 - c. God is the source of our peace (Luke 2:14; Isa. 9:6; Rom. 5:1). Discuss your personal reasons for praising and worshipping God as a devout Christian.
