(Discussion questions for family and Life Group members)

Read Proverbs 31:10-31

1. A major secret of a successful marriage is a wife of noble character (v.10)
  - “Who can find” does not mean that no one can find such a wife but that she is of surpassing value to those who find her.
  - Check the character of the Good Wife in verses 10-13.
  - Above all, what makes this Good Wife praiseworthy? (v.30)
  - The Good wife is not lazy.
2. Married or wanting to get married, what can you learn from the text to have a successful marriage?
3. As a mother or a father, what will you instruct your sons or daughters regarding the wisdom of finding a good wife or a good husband?
