

WHAT ARE YOU DOING HERE?

(1 KINGS 19:9-22)

- **Self obsession** clouds our ability to clearly see God's **divine revelation**.
- With God's proposed question to Elijah “WHAT ARE YOU DOING HERE?”
- We find that it is His **INVITATION** to have Elijah **REDIRECT** his focus onto The Lord.
- Too much **focus on self** can cause us to **lose sight** of the plans & mission God has for our lives.
- **How do we fix our attention on the Lord again?**
 - We turn down the **noise** to tune into his **voice**.
 - Sometimes the Lord will allow us to walk through **the wilderness** for this purpose of cleansing our **spiritual palate**, to pique our **spiritual senses**, and compel us to seek Him with a **fresh new** way.
 - The God of fire & rain is now communicating with His prophet through a **“low whisper”**
 - When His servants are **afraid**, He gently **whispers**.
- What man rejects, God **propels**
- What man forsakes, God **embraces**
- What man breaks, God **restores**
